Hence forth **the procedure for treatment of any employee or their dependant at any recognized/referral Hospital outside state of Rajasthan will be as under:-**

1. Employees/patients suffering from any particular disease will firstly go to the concerned authorized medical attendants for proper diagnosis and treatment.
2. Diagnosis and treatment report of AMA will be analysed/ examined by the company's Medical Officer.
3. Diagnostic/medical treatment reports will be submitted to a committee of following executives at C.O. for decision of further treatment
 - i) CPA
 - ii) FA or his representative
 - iii) Medical Officer
4. The case will be recommended by the above said committee to an appropriate recognized/referral hospitals outside the state of Rajasthan. The letter of recommendation will be formally issued by the Medical Officer of RSMML posted at C.O. The recommendation letter will bear photograph of the patient to be signed and verified by HODs or by the Administration Department.
5. Based on the recommendations of the committee, the patient will go to the recognized/referral hospitals and collect the estimate and diagnostic report. This report will be thoroughly examined by the Medical Officer of RSMM and in case of seriousness of the case, the issue will be decided by the committee.

C/K

gmu

6. On the basis of consent of the committee and endorsement from the Medical Officer, the Administration Deptt. will process the case for releasing the medical advance. The advance will be given in the name of employee only. The employee will be totally responsible for the payment to the concerned hospital.
7. The company will however provide only 80% amount as advance of the total estimate worked out by the hospital concerned for the proposed treatment of the employee and the balance 20% will have to be paid by the employee to the hospital and this 20% amount will be reimbursed to him subject to final adjustment of medical bills and after adjustment of the medical advance given to employee.
8. The procedures for the treatment of employees at the referral hospital will be the same as above. The other rules and regulations will be governed by MAR. However, no TA/DA shall be admissible for above treatment except in some special circumstances.
9. In case of accident/critically, the patients will be allowed to go to any recognized or referral hospital based on the recommendations of Medical Officer posted at C.O. directly.

This bears approval of the Competent Authority.
